## **Accident and Health Claims Provisions**

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

**Notice** You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number. If the claim is being made for one of your *covered dependents*, his or her name should also be noted.

**Proof of Loss** We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

**Late Notice of Proof** We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

**Payment of Benefits** We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

## Accident and Health Claims Provisions (Cont.)

---

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

**Limitations of Actions** You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

**An Important Notice About Continuation Rights**

The following "Federal Continuation Rights" section may not apply to the employer's plan. The employee must contact his employer to find out if: (a) the employer is subject to the "Federal Continuation Rights" section, and therefore; (b) the section applies to the employee.

## YOUR CONTINUATION RIGHTS

---

---

### Federal Continuation Rights

---

**Important Notice** This notice contains important information about the right to continue group dental coverage. In addition to the continuation rights described below, other health coverage alternatives may be available through states' Health Insurance Marketplaces. Please read the information contained in this notice very carefully.

This section applies only to any dental, out-of-network point-of-service medical, major medical, prescription drug or vision coverages which are part of this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to any coverages which apply to loss of life, or to loss of income due to disability. These coverages can not be continued under this section.

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this plan as: (a) an active, covered employee; (b) the spouse of an active covered employee; or (c) the dependent child of an active, covered employee. A child born to, or adopted by, the covered employee during a continuation period is also a qualified continuee. Any other person who becomes covered under this plan during a continuation provided by this section is not a qualified continuee.

**Conversion** Continuing the group health benefits does not stop a qualified continuee from converting some of these benefits when continuation ends. But, conversion will be based on any applicable conversion privilege provisions of this plan in force at the time the continuation ends.

**If Your Group Health Benefits End** If your group health benefits end due to your termination of employment or reduction of work hours, you may elect to continue such benefits for up to 18 months, if you were not terminated due to gross misconduct.

The continuation: (a) may cover you or any other qualified continuee; and (b) is subject to "When Continuation Ends".

**Extra Continuation for Disabled Qualified Continuees** If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on or during the first 60 days after the date his or her group health benefits would otherwise end due to your termination of employment or reduction of work hours, and such disability lasts at least until the end of the 18 month period of continuation coverage, he or she or any member of that person's family who is a qualified continuee may elect to extend his or her 18 month continuation period explained above for up to an extra 11 months.

## Federal Continuation Rights (Cont.)

---

To elect the extra 11 months of continuation, a qualified continuee must give your employer written proof of Social Security's determination of the disabled qualified continuee's disability as described in "The Qualified Continuee's Responsibilities". If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify your employer within 30 days of such determination, and continuation will end, as explained in "When Continuation Ends."

This extra 11 month continuation is subject to "When Continuation Ends".

An additional 50% of the total premium charge also may be required from all qualified continuees who are members of the disabled qualified continuee's family by your employer during this extra 11 month continuation period, provided the disabled qualified continuee has extended coverage.

**If You Die While Insured** If you die while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

### All Options

**If Your Marriage Ends** If your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

**If a Dependent Child Loses Eligibility** If a dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this plan, other than your coverage ending, he or she may elect to continue such benefits. However, such dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to "When Continuation Ends".

**Concurrent Continuations** If a dependent elects to continue his or her group health benefits due to your termination of employment or reduction of work hours, the dependent may elect to extend his or her 18 month or 29 month continuation period to up to 36 months, if during the 18 month or 29 month continuation period, the dependent becomes eligible for 36 months of continuation due to any of the reasons stated above.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

## Federal Continuation Rights (Cont.)

---

**Special Medicare Rule** If you become entitled to Medicare before a termination of employment or reduction of work hours, a special rule applies for a dependent. The continuation period for a dependent, after your later termination of employment or reduction of work hours, will be the longer of: (a) 18 months (29 months if there is a disability extension) from your termination of employment or reduction of work hours; or (b) 36 months from the date of your earlier entitlement to Medicare. If Medicare entitlement occurs more than 18 months before termination of employment or reduction of work hours, this special Medicare rule does not apply.

**The Qualified Continuee's Responsibilities** A person eligible for continuation under this section must notify your employer, in writing, of: (a) your legal divorce or legal separation from your spouse; (b) the loss of dependent eligibility, as defined in this plan, of an insured dependent child; (c) a second event that would qualify a person for continuation coverage after a qualified continuee has become entitled to continuation with a maximum of 18 or 29 months; (d) a determination by the Social Security Administration that a qualified continuee entitled to receive continuation with a maximum of 18 months has become disabled during the first 60 days of such continuation; and (e) a determination by the Social Security Administration that a qualified continuee is no longer disabled.

Notice of an event that would qualify a person for continuation under this section must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date on which an event that would qualify a person for continuation under this section occurs; (b) the date on which the qualified continuee loses (or would lose) coverage under this plan as a result of the event; or (c) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice.

Notice of a disability determination must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date of the Social Security Administration determination; (b) the date of the event that would qualify a person for continuation; (c) the date the qualified continuee loses or would lose coverage; or (d) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice. But such notice must be given before the end of the first 18 months of continuation coverage.

CGP-3-R-COBRA-96-3

## All Options

### **Your Employer's Responsibilities**

A qualified continuee must be notified, in writing, of: (a) his or her right to continue this plan's group health benefits; (b) the premium he or she must pay to continue such benefits; and (c) the times and manner in which such payments must be made.

Your employer must give notice of the following qualifying events to the plan administrator within 30 days of the event: (a) your death; (b) termination of employment (other than for gross misconduct) or reduction in hours of employment; (c) Medicare entitlement; or (d) if you are a retired employee, a bankruptcy proceeding under Title 11 of the United States Code with respect to the employer. Upon receipt of notice of a qualifying event from your employer or from a qualified continuee, the plan administrator must notify a qualified continuee of the right to continue this plan's group health benefits no later than 14 days after receipt of notice.

If your employer is also the plan administrator, in the case of a qualifying event for which an employer must give notice to a plan administrator, your employer must provide notice to a qualified continuee of the right to continue this plan's group health benefits within 44 days of the qualifying event.

If your employer determines that an individual is not eligible for continued group health benefits under this plan, they must notify the individual with an explanation of why such coverage is not available. This notice must be provided within the time frame described above.

If a qualified continuee's continued group health benefits under this plan are cancelled prior to the maximum continuation period, your employer must notify the qualified continuee as soon as practical following determination that the continued group health benefits shall terminate.

### **Your Employer's Liability**

Your employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, us, if: (a) he or she fails to remit a qualified continuee's timely premium payment to us on time, thereby causing the qualified continuee's continued group health benefits to end; or (b) he or she fails to notify the qualified continuee of his or her continuation rights, as described above.

### **Election of Continuation**

To continue his or her group health benefits, the qualified continuee must give your employer written notice that he or she elects to continue. This must be done by the later of: (a) 60 days from the date a qualified continuee receives notice of his or her continuation rights from your employer as described above; or (b) the date coverage would otherwise end. And the qualified continuee must pay his or her first premium in a timely manner.

The subsequent premiums must be paid to your employer, by the qualified continuee, in advance, at the times and in the manner specified by your employer. No further notice of when premiums are due will be given.

The premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the group plan on a regular basis. It includes any amount that would have been paid by your employer. Except as explained in "Extra Continuation for Disabled Qualified Continuees", an additional charge of two percent of the total premium charge may also be required by your employer.

## Federal Continuation Rights (Cont.)

---

If the qualified continuee fails to give your employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

**Grace in Payment of Premiums** A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified due date. If timely payment is made to the plan in an amount that is not significantly less than the amount the plan requires to be paid for the period of coverage, then the amount paid is deemed to satisfy the requirement for the premium that must be paid; unless your employer notifies the qualified continuee of the amount of the deficiency and grants an additional 30 days for payment of the deficiency to be made. Payment is calculated to be made on the date on which it is sent to your employer.

**When Continuation Ends** A qualified continuee's continued group health benefits end on the first of the following:

- (1) with respect to continuation upon your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- (2) with respect to a qualified continuee who has an additional 11 months of continuation due to disability, the earlier of: (a) the end of the 29 month period which starts on the date the group health benefits would otherwise end; or (b) the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that the disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;
- (3) with respect to continuation upon your death, your legal divorce, or legal separation, or the end of an insured dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- (4) the date the employer ceases to provide any group health plan to any employee;
- (5) the end of the period for which the last premium payment is made;
- (6) the date, after the date of election, he or she becomes covered under any other group health plan which does not contain any pre-existing condition exclusion or limitation affecting him or her; or
- (7) the date, after the date of election, he or she becomes entitled to Medicare.

## Uniformed Services Continuation Rights

If you enter or return from military service, you may have special rights under this *plan* as a result of the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA").

If your group health benefits under this *plan* would otherwise end because you enter into active military service, this *plan* will allow you, or your dependents, to continue such coverage in accord with the provisions of USERRA. As used here, "group health benefits" means any dental, out-of-network point-of service medical, major medical, prescription drug or vision coverages which are part of this *plan*.

Coverage under this plan may be continued while you are in the military for up to a maximum period of 24 months beginning on the date of absence from work. Continued coverage will end if you fail to return to work in a timely manner after military service ends as provided under USERRA. You should contact your employer for details about this continuation provision including required premium payments.

### Employee Vision Care Expense Coverage

---

**Eligible Employees** To be eligible for employee coverage under this *plan*, you must be an active *full-time employee*. And you must belong to a class of employees covered by this *plan*.

**Other Conditions** You must enroll and agree to make required payments within 31 days of your *eligibility date*. If you fail to do so, you can't enroll until this *plan's* next vision open enrollment period.

This *plan's* vision open enrollment period occurs from June 1st to June 30th of each year.

Once you enroll in this *plan*, you can't drop your vision coverage until this *plan's* next vision open enrollment period. And if you drop your vision coverage, you can't enroll again until the next vision open enrollment period.

If you initially waived vision coverage under this *plan* because you were covered for vision care benefits under another group plan, and you wish to enroll in this *plan* because your coverage under the other plan ends, you may do so without waiting until the next vision open enrollment period. However, your coverage under the other plan must have ended due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's plan; (c) divorce; (d) death of your spouse; or (e) termination of the other plan. But you must enroll in this *plan* within 30 days of the date that any of these events occur.

**When Your Coverage Starts** Your coverage under this *plan* is scheduled to start on your effective date. But you must be actively at work on a *full-time* basis on that date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not actively at work on that date, we will postpone your coverage until the date you return to active *full-time* work.

Sometimes, your effective date is not a regularly scheduled work day. But your coverage will still start on that date if you were actively at work on your last regularly scheduled work day.

## All Options

**When Your Coverage Ends** Your coverage under this *plan* ends on the last day of the month in which your active *full-time* service ends for any reason. Such reasons include disability, retirement, layoff, leave of absence and the end of employment.

Your coverage ends on the date you die.

It also ends on the date you stop being a member of a class of employees eligible for insurance under this plan, or when this plan ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

If you are required to pay part of the cost of this *plan* and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue vision care benefits for a limited time.

### **Your Right To Continue Group Coverage During A Family Leave Of Absence**

---

**Important Notice** This section may not apply. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

**If Your Group Coverage Would End** Group coverage may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group coverage if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child, or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

**When Continuation Ends** Coverage may continue until the earliest of the following:

- The date you return to active work.
- The end of a total leave period of 26 weeks in one 12 month period, in the case of an *employee* who cares for a covered servicemember. This 26 week total leave period applies to all leaves granted to the *employee* under this section for all reasons.
- The end of a total leave period of 12 weeks in: (a) any 12 month period, in the case of any other *employee*; or (b) any later 12 month period in the case of an *employee* who cares for a covered servicemember.

## Your Right To Continue Group Coverage During A Family Leave Of Absence (Cont.)

### Handicapped Children

You may have an unmarried child with a mental or physical handicap, or developmental disability, who can't support himself. Subject to all of the terms of this section and the *plan*, such a child may stay eligible for dependent vision care benefits past this *plan's* age limit.

The child will stay eligible as long as he stays unmarried and unable to support himself, if: (a) his conditions started before he reached this *plan's* age limit; (b) he became insured by this *plan* before he reached the age limit, and stayed continuously insured until he reached such limit; and (c) he depends on you for most of his support and maintenance.

But, for the child to stay eligible, you must send us written proof that the child is handicapped and depends on you for most of his support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, we can't ask for this proof more than once a year.

The child's coverage ends when yours does.

### When Dependent Coverage Starts

In order for your dependent coverage to begin, you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this plan, the date your dependent coverage starts depends on when you elect to enroll all of your initial *dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, date, your dependent coverage is scheduled to start on the later of the date you sign the enrollment form and the date you become covered for employee coverage.

If you do this within 31 days of your *eligibility date*, date, your dependent coverage is scheduled to start on the date you become covered for employee coverage.

If you do this after the enrollment *period* ends, you can't enroll your initial *dependents* until the next vision open enrollment period.

Once you have coverage for your initial *dependents*, you must notify us when you acquire any new dependents, and agree to make any additional payments required for the coverage. If you do this within 31 days of the date the newly *acquired dependent* becomes eligible, the dependent's coverage will start on the date the dependent becomes eligible. If you fail to notify us on time, you can't enroll the newly *acquired dependent* until the next vision open enrollment period.

Once a dependent is enrolled for vision care expense insurance, the coverage can't be dropped until the next vision open enrollment period. And once coverage is dropped for a dependent, the dependent can't be enrolled again until the next vision open enrollment period.

### Exception

If a dependent, other than a newborn child, is confined to a hospital or other health care facility; or is home-confined; or is unable to carry out the normal activities of someone of like age and sex on the date his dependent benefits would otherwise start, we will postpone the effective date of such benefits until the day after his discharge from such facility; until home confinement ends; or until he resumes the normal activities of someone of like age and sex.

**Newborn Children** We cover your newborn child from the moment of birth if you're already insured for dependent vision coverage, and you notify us within 31 days of the child's birth. If you fail to notify us on time, you can't enroll the child until the next vision open enrollment period.

If the newborn child is your first *eligible dependent*, we cover the child from the moment of birth if you enroll for dependent coverage and agree to make any required payments within 31 days of the child's birth. If you fail to enroll on time, you can't enroll the child until the next vision open enrollment period.

If the newborn child is not your first *eligible dependent*, but you did not previously enroll your other *eligible dependents* for vision care expense coverage, you can enroll the child during the next vision open enrollment period, if you also enroll all of your other *eligible dependents* at this time.

**When Dependent Coverage Ends** Dependent coverage ends for all of your dependents when your employee coverage ends. But if you die while insured, we'll automatically continue dependent vision care benefits for those of your dependents who are insured when you die. We'll do this for six months at no cost, provided: (a) the group *plan* remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

If a surviving dependent elects to continue his dependent vision care benefits under this *plan's* "Federal Continuation Rights" provision, or under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the "Federal Continuation Rights" or other continuation provisions.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of employees eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all employees or for an *employee's* class.

## Dependent Vision Care Expense Coverage (Cont.)

---

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child on the last day of the month in which the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the *employee* for support and maintenance. It happens to a spouse on the last day of the month in which a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue vision care benefits for a limited time.

**CERTIFICATE AMENDMENT**

---

This rider amends the "Dependent Coverage" provisions as follows:

An employee's domestic partner will be eligible for vision care coverage under this plan. Coverage will be provided subject to all the terms of this plan and to the following limitations:

To qualify for such coverage, both the employee and his or her domestic partner must:

- be 18 years of age or older;
- be unmarried, constitute each other's sole domestic partner and not have had another domestic partner in the last 12 months;
- share the same permanent address for at least 12 consecutive months and intend to do so indefinitely;
- share joint financial responsibility for basic living expenses including food, shelter and medical expenses;
- not be related by blood to a degree that would prohibit marriage in the employee's state of residence; and
- be financially interdependent which must be demonstrated by at least four of the following:
  - a. ownership of a joint bank account;
  - b. ownership of a joint credit account;
  - c. evidence of a joint mortgage or lease;
  - d. evidence of joint obligation on a loan;
  - e. joint ownership of a residence;
  - f. evidence of common household expenses such as utilities or telephone;
  - g. execution of wills naming each other as executor and/or beneficiary;
  - h. granting each other durable powers of attorney;
  - i. granting each other health care powers of attorney;
  - j. designation of each other as beneficiary under a retirement benefit account; or
  - k. evidence of other joint financial responsibility.

The employee must complete a "Declaration of Domestic Partnership" attesting to the relationship.

The domestic partner's dependent children will be eligible for coverage under this plan on the same basis as if the children were the employee's dependent children.

## Certificate Amendment (Cont.)

---

Coverage for the domestic partner and his or her dependent children ends when the domestic partner no longer meets the qualifications of a domestic partner as indicated above. Upon termination of a domestic partnership, a "Statement of Termination" must be completed and filed with the employer. Once the employee submits a "Statement of Termination," he or she may not enroll another domestic partner for a period of 12 months from the date of the previous termination.

And, the domestic partner and his or her children will be not eligible for:

- a. survivor benefits upon the employee's death as explained under the "When Dependent Coverage Ends" section; or
- b. continuation of vision care coverage as explained under the "Federal Continuation Rights" section and under any other continuation rights section of this plan, unless the employee is also eligible for and elects continuation.

This rider is a part of this plan. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this plan.

### Vision Service Plan - This Plan's Vision Care Preferred Provider Organization

---

**Vision Service Plan** This *plan* is designed to provide high quality vision care while controlling the cost of such care. To do this, the *plan* encourages a *covered person* to seek vision care from doctors and vision care facilities that belong to Vision Service Plan (VSP), a vision care *preferred provider* organization (PPO).

This vision care PPO is made up of *preferred providers* in a *covered person's* geographic area. A vision care *preferred provider* is a vision care practitioner or a vision care facility that: (a) is a current provider of VSP; and (b) has a participatory agreement in force with VSP.

Use of the vision care PPO is voluntary. A *covered person* may receive vision care from any vision care provider. And, he or she is free to change providers at any time. But, this *plan* usually pays more in benefits for covered services furnished by a vision care *preferred provider*. Conversely, it usually pays less for covered services not furnished by a vision care *preferred provider*.

When an *employee* and his or her dependents enroll in this *plan*, they will get an enrollment packet which will tell them how to obtain benefits and information about current vision care *preferred providers*.

What we pay is based on all the terms of this *plan*. The *covered person* should read this material with care, and have it available when seeking vision care. Read this *plan* carefully for specific benefit levels, *copayments*, *deductibles*, payment rates and payment limits.

The *covered person* can call VSP if he or she has any questions after reading this material.

**Choice Of Preferred Providers** When a person becomes enrolled in this *plan*, he or she will receive a list of VSP *preferred providers* in his or her area. A *covered person* may receive vision services from any VSP *preferred provider*.

**Replacement Of Preferred Provider** If a *preferred provider* terminates his or her relationship with VSP for any reason, VSP shall be responsible for furnishing vision services to *covered persons* either through that provider or through another VSP *preferred provider*.

**Vision Service Plan**

**This Plan's Vision Care Preferred Provider Organization (Cont.)**

---

**Pre-Authorization Of Preferred Provider Services** When a *covered person* desires to receive treatment from a *preferred provider*, the *covered person* must contact the *preferred provider* BEFORE receiving treatment. The *preferred provider* will contact VSP to verify the *covered person's* eligibility and VSP will notify the *preferred provider* of the 60 day time period during which the *covered person* may schedule an appointment. If the *covered person* cancels an appointment and reschedules it, it must be done within those 60 days. If the appointment is not rescheduled during the previously approved time period, the *covered person* must contact the *preferred provider* again to receive authorization.

What we pay is subject to all the terms of this *plan*.

CGP-3-VSN-96-PPOA

B505.0009

**Option A**

**Pre-Treatment Review For Necessary Contact Lenses** Subject to prior approval by VSP consultants, we will pay benefits for Necessary Contact Lenses provided to a *covered person*. A *covered person's* doctor must request approval for Necessary Contact Lenses from VSP.

No benefits will be paid for Necessary Contact Lenses if prior approval is not received from VSP.

What we pay for Necessary Contact Lenses is subject to all of the terms of this *plan*.

CGP-3-VSN-96-PTR2

B505.0014

**Option A**

**Claim Appeals** If, under the provisions of this *plan*, a claim for benefits is denied in whole or in part, a request, in writing, may be submitted to VSP for a full review of the denial.

The written request must be made to the Plan Administrator within 60 days following the denial of benefits. The request should contain sufficient information to identify the *covered person* whose benefits were denied. This includes the name of the *covered person*, the *employee's* social security number and the *employee's* date of birth. The *covered person* may state the reasons he or she believes that the denial of the claim was in error and may provide any pertinent documents which he or she wishes to be reviewed. The Plan Administrator will review the claim and give the *covered person* the opportunity to review pertinent documents, submit any statements, documents or written arguments in support of the claim, and appear personally to present materials or arguments. The determination of the Plan Administrator, including specific reasons for the decision, shall be provided and communicated to the *covered person* in writing within one hundred twenty (120) days after receipt of a request to review.

Any dispute or question arising between VSP and any *covered person* involving the application, interpretation or performance under this *plan* shall be settled, if possible, by amicable and informal negotiations, allowing such opportunity as may be appropriate under the circumstances for fact finding and mediation.

**Preferred Provider Grievance Procedures** Grievances are handled by VSP's Professional Relations Vice President for action. The grievance process is designed to address *covered persons'* concerns quickly and satisfactorily. The following grievance procedures have been established:

- (2) The complaint will be evaluated and, if deemed appropriate, the original examining doctor will be contacted.

### This Plan's Vision Care Preferred Provider Organization

---

**Davis Vision:** This *plan* is designed to provide a high quality vision care benefit while controlling the cost of such care. To do this, the *plan* encourages a *covered person* to seek vision care from doctors and vision care facilities that belong to Davis Vision's Preferred Provider Network.

This vision care *preferred provider* organization (PPO) is made up of *preferred providers* in a *covered person's* geographic area. A vision care *preferred provider* is a vision care practitioner or a vision care facility that: (a) is a credentialed provider in Davis Vision's network; and (b) has a current participatory agreement in force with Davis Vision.

Use of the vision care PPO is voluntary. A *covered person* may receive vision care from either a *preferred provider* or a *non-preferred provider*. And, he or she is free to change providers at any time. But, this *plan* usually pays more in benefits for covered services furnished by a vision care *preferred provider*. Conversely, it usually pays less for covered services not furnished by a vision care *preferred provider*.

When an *employee* and his or her dependents enroll in this *plan*, they will get an enrollment packet which will tell them how to obtain benefits and information about current vision care *preferred providers*.

What we pay is based on all of the terms of this *plan*. The *covered person* should read this material with care and have it available when seeking vision care. Read this *plan* carefully for specific benefit levels, frequencies, *copayments* and payment limits.

The *covered person* can call Davis Vision if he or she has any questions after reading this material.

#### Choice of Preferred Providers

When a person becomes enrolled in this *plan*, he or she will receive information about Davis Vision *preferred providers* in his or her area. A *covered person* may receive vision services from any current Davis Vision *preferred provider*.

When a *covered person* wants to receive services from a *preferred provider*, he or she must contact the *preferred provider* before receiving treatment. The *preferred provider* will contact Davis Vision to verify the *covered person's* eligibility before any treatment takes place.

It is not necessary to submit a claim for services or supplies from a *preferred provider*.

## Appeals Process

In the event that a claim is denied, Davis Vision will consult with the provider involved with the *covered person's* vision care treatment. If the issue cannot be resolved, the provider or patient has the right to request a review of the adverse determination. The provider, *covered person* or patient may appeal denied authorizations or claim decisions. Should a *covered person* request a review of an authorization or claim decision, Davis Vision must notify the *covered person*, or his or her designee, within five (5) business days of receipt of the request and the review must be conducted by a clinical peer who was not involved in the original vision care determination. Pre-service review decisions are to be completed within fifteen (15) days and post-service review decisions are to be completed within thirty (30) days, or as required by state statute, from the date that Davis Vision receives notification from the *covered person* or his or her designee and be mailed within five (5) days of the date of decision. Denials can be appealed through Davis Vision's Grievance Resolution Process or as per plan contract. A *covered person* has the right to appeal through an external review organization at any time during the grievance process. A *covered person* has the right to designate a representative, including his or her provider, to act on his or her behalf with regard to review of a vision care claim determination. Use of the Appeals Process does not waive the *covered person's* legal rights.

---

## Grievance Process

**Registering a Complaint or Grievance** A *covered person* has the right to file a grievance or make an appeal to any claim decision at any time. The *covered person* has the right to designate a representative to file complaints and appeals on his or her behalf.

A *covered person* is entitled to a copy of the Grievance Resolution process upon request and a copy will be provided to a *covered person* should the determination be made that vision care benefits are not available.

Davis Vision defines a "grievance" as a complaint that may or may not require specific corrective action and is made:

1. via the telephone;
2. in writing to Davis Vision;
3. via the Davis Vision website.

A grievance or complaint can arise from and includes but is not limited to the following:

1. benefit denials.
2. an adverse determination as to whether a service is covered pursuant to the terms of the contract.
3. difficulty accessing or utilizing a benefit, and issues regarding the quality of vision care services.
4. challenges with vision care services or products received.
5. dissatisfaction with the resolution of a complaint/grievance or appeal.

### **Verbal Grievances and Telephone Communication**

A *covered person* may file a verbal grievance by contacting Davis Vision. Registering a grievance by telephone will be considered filing a "formal grievance". A Davis Vision associate will acknowledge receipt of all complaints in writing within five (5) business days from the date the grievance or appeal is received.

A *covered person* has access to the Davis Vision toll free number twenty-four (24) hours a day seven (7) days a week to voice any concern or grievance and also has the right to contact their Human Resources Department or Benefits Administration Department. The Davis Vision Toll Free number is: **1 (800) 584-1487**.

### **Written Grievances**

Written notice of grievances received via e-mail, U.S. Mail or other written correspondence will be acknowledged within five (5) business days. All written correspondence should be addressed to:

**Davis Vision  
159 Express Street  
Plainview, New York 11803  
Attention: Quality Assurance/Patient Advocate Department**

A *covered person* can register any concern or grievance by logging on to Davis' website: [www.davisvision.com](http://www.davisvision.com) and entering the "Contact Davis Vision" area.

## Internal Grievance Procedure

---

**Appeal Level 1** Upon receipt of a concern or grievance by a Davis Vision associate, the *covered person* is contacted by telephone, or in writing, within five (5) business days to confirm that the concern or grievance was received and is being investigated. Every attempt is made to contact the *covered person* or his or her designated representative. Contact may include but is not limited to telephone contact, e-mail or U.S. Mail. A designated Davis Vision associate reviews the appeal with the *covered person* and may request additional information. Details of the complaint are documented in the *covered person's* file. The *covered person* is given the Associate's name, phone number, department and the estimated time needed to perform the research. The *covered person* is informed of their right to have a representative, including their provider, present during the review of the concern and final outcome of the investigation. The *covered person* is informed of their right to appeal to an external review organization at any time during the grievance procedure or as required by state statute.

The review committee will include a licensed (peer) health care professional when grievances pertain to clinical decisions. All decisions are reviewed and approved by the Vice President of Professional Affairs, a licensed optometrist.

The investigation may involve contacting the provider or the point of service location to determine the cause of the concern. If necessary, the Regional Quality Assurance Representative (RQAR) or Professional Field Consultant (PFC) will be contacted and a site visit may be scheduled. Davis Vision will contact the *covered person* when further information is required and inform them of the status of the investigation or the need for more information.

### Option B

The determination will be communicated to the *covered person* within fifteen (15) days for pre-service review decisions and within thirty (30) days for post-service review decisions, or as required by state statute. An additional ten (10) days may be requested in order to complete further research. The written decision will be mailed to the *covered person* within five (5) days of the decision. The appeal determination will include the following:

- the decision, and will include a summary of the facts related to the issue,
- the criteria that was used, summary of the evidence, including the documentation supporting the decision,
- a statement indicating that the decision will be final and binding unless the *covered person* appeals in writing to the Quality Assurance/Patient Advocate Department within fifteen (15) business days of the date of the notice of the decision,
- a copy of the appeals process, if applicable, and
- the name, position, phone number, and department of the person(s) responsible for the decision.

---

## Internal Grievance Procedure (Cont.)

---

The decision of the Quality Assurance/Patient Advocate Department shall be final and binding unless appealed by the *covered person* to Davis Vision within fifteen (15) business days of the date of notice of the decision.

**Appeal Level 2** Should Davis Vision uphold a denial, as the result of a Level 1 review, the *covered person* has the right to request a Level 2 appeal.

A Level 2 appeal will not include associate(s) or licensed (peer) health care professional(s) that were involved in the Level 1 review.

A Level 2 appeal requires the *covered person* to contact Davis Vision in writing or by telephone within fifteen (15) days following receipt of the Level 1 summary statement. The *covered person* requesting a Level 2 appeal must indicate the reason they believe the denial of coverage was incorrect. Davis Vision reserves the right to request further information from the *covered person* or provider.

Davis Vision has thirty (30) days, or as required by state statute, from the date the requested information is received, to respond to the Level 2 pre-service review. Davis Vision has thirty (30) days, or as required by state statute, from the date the requested information is received, to respond to the Level 2 post-service review. The Vice President of Professional Affairs will review all clinical appeals. A Davis Vision Associate(s) and a Regional Quality Assurance Representative(s) (RQAR), a licensed optometrist, not involved in the initial determination will review the Level 1 decision. If the Level 2 appeal upholds the Level 1 determination the *covered person* will be notified in writing of this decision. Notification will include, but not be limited to:

- the decision, and contain a summary stating the nature of the concern and the facts related to the issue,
- the criteria that was used, summary of the evidence, including documentation that was used to support the decision,
- a statement indicating that the decision will be final and binding unless the *covered person* appeals in writing or by telephone to the Quality Assurance/Patient Advocacy Department within forty-five (45) days of the date of the notice of the Level 2 decision,
- a copy of the appeals process, if applicable, and
- the name, position, phone number, and department of person(s) responsible for the decision.

---

## External Grievance Procedure

---

**External Review** A *covered person*, as required by state statute, has the right to request an impartial review of concerns that resulted in a denial of coverage. A *covered person* who has exhausted the internal appeals process may appeal the final decision if the denial for services was not deemed medically necessary or the requested service was deemed Investigational or Experimental.

## External Grievance Procedure (Cont.)

---

An external review organization will refer the case for review by a neutral, independent practitioner experienced in vision care. Davis Vision will provide all requested documentation to the external review organization. The external review organizations will have up to thirty (30) days, or as required by state statute, to make their determination.

**External Review Process** A *covered person* has the right to an external review of a denial of coverage. A *covered person* has the right to an external review of a final adverse decision under the following circumstances:

- the *covered person* has been denied a vision care service, which should have been covered under the terms of the contract.
- services were denied on the basis that requested services were not medically necessary.
- a treatment or service that will have a significant positive impact on the *covered person* has been denied and any alternative service or treatment will not affect the *Covered person's* ocular health and/or produce a negative outcome.
- services denied are related to a current illness or injury.
- the cost of the requested services will not exceed that of any equally effective treatment.
- the denied service, procedure or treatment is a covered benefit under the *Covered person's* policy.
- the *covered person* has exhausted all internal appeal processes with an adverse determination upheld at each level.

Investigational or Experimental Treatment means an approved ocular diagnostic procedure warranted by the ocular health of the *covered person* and the subsequent diagnostic findings could alter the *covered person's* treatment plan. The risk of a negative outcome utilizing the approved treatment would be no greater than utilizing an alternative treatment.

The vision care provider may contact the appropriate State Agency to determine if other documentation may be required for the appeal process.

Once the determination is made, notification is made, in writing, within two (2) business days. This notification will include an explanation and the clinical criteria used in the decision.

## STATEMENT OF ERISA RIGHTS

---

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

### **Receive Information About Your Plan and Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Continue Group Health Plan Coverage**

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. You should review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

### **Prudent Actions By Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforcement Of Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

### **Assistance with Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **Qualified Medical Child Support Order**

Federal law requires that group health plans provide medical care coverage of a dependent child pursuant to a qualified medical child support order (QMCSO). A "qualified medical child support order" is a judgment or decree issued by a state court that requires a group medical plan to provide coverage to the named dependent child(ren) of an employee pursuant to a state domestic relations order. For the order to be qualified it must include:

- The name of the group health plan to which it applies.
- The name and last known address of the employee and the child(ren).
- A reasonable description of the type of coverage or benefits to be provided by the plan to the child(ren).
- The time period to which the order applies.

A dependent enrolled due to a QMCSO will not be considered a late enrollee in the plan.

Note: A QMCSO cannot require a group health plan to provide any type or form of benefit or option not otherwise available under the plan except to the extent necessary to meet medical child support laws described in Section 90 of the Social Security Act.

If you have questions about this statement, see the plan administrator.

## Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit. A failure to cover an item or service: (a) due to the application of any utilization review; or (b) because the item or service is determined to be experimental or investigational, or not medically necessary or appropriate, is also considered an adverse determination.

"Group Health Benefits" means any dental, out-of-network point-of-service medical, major medical, vision care or prescription drug coverages which are a part of this plan.

"Pre-service claim" means a claim for a medical care benefit with respect to which the plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of receipt of care.

"Post-service claim" means a claim for payment for medical care that already has been provided.

"Urgent care claim" means a claim for medical care or treatment where making a non-urgent care decision: (a) could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function, as determined by an individual acting on behalf of the plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; or (b) in the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care.

Note: Any claim that a physician with knowledge of the claimant's medical condition determines is a claim involving urgent care will be treated as an urgent care claim for purposes of this section.

**Timing For Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

## Group Health Benefits Claims Procedure (Cont.)

---

**Urgent Care Claims.** Guardian will make a benefit determination within 72 hours after receipt of an urgent care claim.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 24 hours after receipt of the claim. The claimant will be given not less than 48 hours to provide the specified information.

Guardian will notify the claimant of the benefit determination as soon as possible but not later than the earlier of:

- the date the requested information is received; or
- the end of the period given to the claimant to provide the specified additional information.

The required notice may be provided to the claimant orally within the required time frame provided that a written or electronic notification is furnished to the claimant not later than 3 days after the oral notification.

**Pre-Service Claims.** Guardian will provide a benefit determination not later than 15 days after receipt of a pre-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 5 days after receipt of the claim. A notification of a failure to follow proper procedures for pre-service claims may be oral, unless a written notification is requested by the claimant.

The time period for providing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 15-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Post-Service Claims.** Guardian will provide a benefit determination not later than 30 days after receipt of a post-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

## Group Health Benefits Claims Procedure (Cont.)

---

**Concurrent Care Decisions.** A reduction or termination of an approved ongoing course of treatment (other than by plan amendment or termination) will be regarded as an adverse benefit determination. This is true whether the treatment is to be provided(a) over a period of time; (b) for a certain number of treatments; or (c) without a finite end date. Guardian will notify a claimant at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal.

In the case of a request by a claimant to extend an ongoing course of treatment involving urgent care, Guardian will make a benefit determination as soon as possible but no later than 24 hours after receipt of the claim.

### **Adverse Benefit Determination**

If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;
- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- in the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request; and
- in the case of an urgent care adverse determination, a description of the expedited review process.

### **Appeal of Adverse Benefit Determinations**

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

A request for an appeal of an adverse benefit determination involving an urgent care claim may be submitted orally or in writing. Necessary information and communication regarding an urgent care claim may be sent to Guardian by telephone, facsimile or similar expeditious manner.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;

## Group Health Benefits Claims Procedure (Cont.)

---

- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision regarding review of an appeal as follows:

**Urgent Care Claims.** Guardian will notify the claimant of its decision as soon as possible but not later than 72 hours after receipt of the request for review of the adverse determination.

**Pre-Service Claims.** Guardian will notify the claimant of its decision not later than 30 days after receipt of the request for review of the adverse determination.

**Post-Service Claims.** Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

Your Right to File a Complaint . If you believe your privacy rights have been violated, you may file a complaint with Guardian or the Secretary of U.S. Department of Health and Human Services. If you wish to file a complaint with Guardian, you may do so using the contact information below. You will not be penalized for filing a complaint.

Please submit any exercise of the Rights designated below to Guardian in writing using the contact information listed below. For some requests, Guardian may charge for reasonable costs associated with complying with your requests; in such a case, we will notify you of the cost involved and provide you the opportunity to modify your request before any costs are incurred.

Your Right to Request Restrictions . You have the right to request a restriction on the PHI we use or disclose about you for treatment, payment or health care operations as described in this notice. You also have the right to request a restriction on the medical information we disclose about you to someone who is involved in your care or the payment for your care.

Guardian is not required to agree to your request; however, if we do agree, we will comply with your request until we receive notice from you that you no longer want the restriction to apply (except as required by law or in emergency situations). Your request must describe in a clear and concise manner: (a) the information you wish restricted; (b) whether you are requesting to limit Guardian's use, disclosure or both; and (c) to whom you want the limits to apply.

Your Right to Request Confidential Communications . You have the right to request that Guardian communicate with you about your PHI be in a particular manner or at a certain location. For example, you may ask that we contact you at work rather than at home. We are required to accommodate all reasonable requests made in writing, when such requests clearly state that your life could be endangered by the disclosure of all or part of your PHI.

Your Right to Amend Your PHI. If you feel that any PHI about you, which is maintained by Guardian, is inaccurate or incomplete, you have the right to request that such PHI be amended or corrected. Within your written request, you must provide a reason in support of your request. Guardian reserves the right to deny your request if: (i) the PHI was not created by Guardian, unless the person or entity that created the information is no longer available to amend it (ii) if we do not maintain the PHI at issue (iii) if you would not be permitted to inspect and copy the PHI at issue or (iv) if the PHI we maintain about you is accurate and complete. If we deny your request, you may submit a written statement of your disagreement to us, and we will record it with your health information.

Your Right to Access to Your PHI. You have the right to inspect and obtain a copy of your PHI that we maintain in designated record sets. Under certain circumstances, we may deny your request to inspect and copy your PHI. In an instance where you are denied access and have a right to have that determination reviewed, a licensed health care professional chosen by Guardian will review your request and the denial. The person conducting the review will not be the person who denied your request. Guardian promises to comply with the outcome of the review.
